

EL-MOATAZ GROUP

ABOUT US

We are a dynamic and integrated Egyptian group of companies. We specialize in the **export of premium frozen fruits and vegetables** and provide **comprehensive logistics solutions** across Egypt. With a commitment to quality, efficiency, and customer satisfaction, our group leverages Egypt's rich agricultural heritage and strategic geographical location to serve global markets while facilitating seamless trade within and beyond its borders.

OUR MISSION

To consistently deliver superior frozen fruits and vegetables that meet international standards of quality and freshness, and to offer reliable, efficient, and cost-effective logistics, customs clearance, and transportation solutions that empower businesses to thrive.

OUR VISION

To be the leading and most trusted partner in Egypt for the export of high-quality frozen produce and integrated logistics services, contributing to the growth of Egyptian exports and the global food supply chain.

El-Moataz for Export

a premier Egyptian exporter of frozen fruits and vegetables. Leveraging Egypt's fertile lands and abundant harvests, we specialize in sourcing, processing, and exporting a wide variety of high-quality frozen produce to international markets. Our state-of-the-art facilities adhere to stringent international food safety and quality standards, ensuring our products retain their natural flavor, nutritional value, and vibrant appearance.

December (out of this
period will be stored)

El-Moataz Logistics

a full-service logistics provider based in Egypt, offering a comprehensive suite of solutions designed to optimize supply chains and facilitate seamless trade. We understand the complexities of international logistics and customs procedures, and our experienced team provides efficient, reliable, and tailored services that meet the unique needs of our clients.

Logistics solutions

Freight Forwarding (Sea, Air, Road): Handling FCL (Full Container Load) and LCL (Less than Container Load) shipments, air cargo, and cross-border road transportation.

Warehousing & Storage: Secure and well-maintained storage facilities, including cold storage for perishable goods, with inventory management capabilities.

Supply Chain Management: End-to-end solutions for optimized flow of goods, from origin to destination

Customs Clearance

Expert Customs Brokerage: Efficient processing of all necessary customs documentation, declarations, duties, and taxes for both import and export.

Regulatory Compliance: Ensuring adherence to all Egyptian and international customs regulations, minimizing delays and potential issues.

Consultation: Providing expert advice on customs procedures, tariffs, and trade agreements.

Transportation

Inland Trucking: Reliable and timely domestic transportation services across Egypt, including refrigerated transport for temperature-sensitive cargo.

Heavy Lift & Project Cargo: Specialized transport solutions for oversized or heavy shipments.

Last-Mile Delivery: Efficient distribution services to final destinations.

Key Differentiators

Strategic Location: Our operations are strategically located to leverage Egypt's key ports and logistical hubs.

Experienced Team: Our dedicated professionals possess extensive knowledge of local and international logistics, customs, and transportation.

Technology-Driven: We utilize advanced logistics software and tracking systems to provide real-time visibility and efficient operations.

Customer-Centric Approach: We prioritize understanding client needs to deliver customized and cost-effective solutions.

Synergy within the Group

The synergy between [El-Moataz for export] and [El-Moataz logistics] provides a distinct competitive advantage. [El-Moataz for export] benefits from [El-Moataz logistics]'s in-house expertise in cold chain logistics, customs clearance, and efficient transportation, ensuring the integrity and timely delivery of its perishable products to global markets. Conversely, [El-Moataz logistics] gains a deep understanding of the specific requirements of the food export industry, allowing it to refine its services and offer unparalleled solutions to other clients in the sector and beyond.
